### How the Fulfillment Service Works

1. Sign Fulfillment Service Contract
2. Send your products to our warehouse
3. We receive and verify the goods
4. Products are stored and added to inventory system
5. Send us daily orders or integrate automatically
6. We verify and prepare orders (Pick & Pack)
7. Packing and labeling according to courier standards
8. Orders are shipped to final customers
9. Returns handled if necessary
10. Receive reports and stock updates

### Let`s talk!

[www.rocourier.com/fulfillment](http://www.rocourier.com/fulfillment)

Our warehouses are located in Bucharest and Ilfov, Romania, and are allocated based on your product category authorization (food, textile, general goods, etc.).  
Call Center Service – Customer support for order confirmation, delivery coordination, and customer communication to improve delivery success and reduce returns.  
We offer national and international courier services with Cash on Delivery (COD) in Romania or anywhere in the European Union.  
The offer is expressed in EUR, excluding VAT (VAT is applied according to the country of invoicing and applicable legislation), and is valid for 30 days from the date of submission.
